

K-Love radio is a wonderful thing for me and my family - positive and encouraging. It allows the Christian community to come together on for local (musical concerts), regional (Billy Graham Crusade) and national (prayer for country, marches, etc.) events, and to hear news of particular interest to Christians. If K-Love went off the air, there would be no other way to connect with such a diverse group of people. It is a unifying force for good at all levels, and if it went off the air it would have a serious impact on the quality of life we now enjoy. Thank you for reading my comment, and for your public service. I trust you to do what is best for me, my family and our community.
